Dear Dr. Weinstein,

This is to express my sincere appreciation, on my own behalf and on behalf of my client, Rita Ingram, for your impressive testimony in the Bronx Family Court in support of her efforts to regain custody of her three children, who have been placed in foster care for the last 3 1/2 years.

Your emphasis on the impact of the placement on the children, and your support for a serious examination of the issues concerned in family reunification offered a refreshing perspective, no matter what the outcome of the case.

Looking forward to working with you again in the future.

Very truly yours,

NANETTE H. SCHORR
Staff Attorney
