RE: Brown v. Greenspan  
Superior Court of Fulton County  
State of Georgia  
Civil Action File No.: 2002CV47602

Dear Dr. Weinstein:

I would like to thank you for your testimony and other assistance in the above-referenced action. As you know, this case concerned difficult issues of visitation and child custody. Your testimony was instrumental in influencing the Court to strongly recommend co-parenting classes for Mr. Greenspan, overnight visitation, and graduated visitation as Matthew Greenspan matures. As you know, all of these issues were extremely important to our client, and you were no small part of our obtaining a good result for him.

Enclosed please find several of my business cards your reference and use. Please feel free to contact me if you have any questions on this or any other matter. Again, it was a pleasure working with you, and I hope to have the opportunity to so again in the future.

Sincerely yours.

Kevin M. Elwell
