***Judson St. John vs. Jeanne St. John (Bruno)***

Dear Dr. Weinstein:

I have been a practicing attorney for over 28 years.

Prior to entering the practice of law, I earned a Bachelor's Degree in Electrical Engineering from Loyola University of Los Angeles, worked on the Apollo Man on the Moon Program, and as Rocket Scientist. My background includes six (6) lifetime California Community College teaching credentials in the subject areas of Law, Real Estate, Engineering, Industrial Machine & Related Technologies, Mathematics and Philosophy & Religion. For over 20 years, I was also a licensed California Real Estate Broker. In earning my Juris Doctorate degree, I was invited to and did participate as an author in the prestigious law review. In 1972, I was admitted to the United States Patent Bar. My further credentials include an Honorary Doctor of Divinity degree and both my wife and I are ordained Christian ministers.

For more than 16 years of my 28 years engaged in the practice of law, about eighty (80%) of my cases involved Family Law Matters under the banner of Christian Law Center. During the year 2002, you were engaged by Jeanne St. John (aka Bruno) to testify in this post-dissolution of marriage change of child custody case.

A number of major, cutting edge issues involving child custody modification are involved in this case. This case represents a mother's attempt to protect her son from a life-time of irreversible psychological

damage. She has but a single goal - to protect her son from the continuing mental and sex abuse permitted by his father.

Your in-depth, lengthy experience and university credentials in this highly complex and specialized area of the law are most impressive.

Your testimony was not only extremely helpful in this case, but was cost effective as well.

One of the most significant benefits that you personally brought to this most difficult battle is your immediate and continuing compassionate interest in Ms. Bruno's horrific case which goes far beyond your fees.

The two words that aptly describe your activities in this case would be "competent caring."

I look forward to working with you again in the future and would hardily recommend your services to others seeking an extraordinary expert in their family law matters.

Always my best to you, Dr. Weinstein.

Very truly yours,
