Hello alexanderhilton:

I was able to find the following two psychologists who fit your requirements.

Dr. Richard A. Gardner

Website: <http://www.rgardner.com/>

Justification: Dr. Gardner was the expert who first coined the phrase "parental Alienation syndrome." See his excellent page entitled "QUALIFICATIONS OF RICHARD A. GARDNER, M.D. FOR PROVIDING COURT TESTIMONY" at

<http://www.rgardner.com/pages/cvqual.html>

and a summary of his CV at

Contact Information: Call him at his company, Creative Therapeutics, at 1-800-544-6162.

Dr. Monty Weinstein

Website: <http://www.familyunity.com/index1.html>

Justification: Dr. Weinstein has testified in over 750 cases in the United States on abuse and parental alienation. "Dr. Weinstein is a Diplomat of the American Psychotherapy Association and a Fellow of

the American Orthopsychiatric Association, and has published articles in professional journals in the areas of family therapy and psychoanalysis, gender issues, and child development.
